Puppy Classes (8 - 18 wks.old)

Classes: 6 weeks Monday 6:30 – 7:30 Cost: \$ 135.00

Trainer: Kim Zemba – Dog's on a Mission

Learn: Understand how your puppy thinks. Use fun, humane teaching methods to address issues such as: mouthing/chewing, crating/housebreaking, good manners, dominance and socialization skills, confidence/trust building, nutrition and grooming. You will become familiar with training tools, and practice exercises that prepare you and your puppy for basic obedience. This class sets the stage to turn your puppy into a well-mannered, well-adjusted member of your family. Ample time for controlled social interaction, and discussion of individual issues. Supervised children & family members welcome.

Basic Obedience Classes (open to all ages)

Classes: 6 weeks Wednesday's 6:30 – 7:30 Cost: \$ 135.00

Trainer: Ingrid Nelson - Royalcrest Animal Spa www.royalcrestanimalspa.com

Learn: Use fun, humane based training to teach your dog the basics of obedience. Walking on a loose leash, sit, down, stay, come when called, attention, targeting, place, and a fun trick will be taught.

Please bring: lots of small soft treats, a 6 foot cotton or leather leash. NO FLEXI'S OR CHAIN LEASHES. Collar choices are buckle, slip, head collar or prong - changes in collars may be recommended by trainer.

For safety and consideration to all class participants Please DO NOT let your dog interact with others during the class. Children and family members welcome, children under 15 must be accompanied by an adult.

POSITIVE TRAINING GIVES YOUR DOG THE MOTIVATION TO WANT TO WORK WITH YOU

THE PERFECT COMBO

Animal Assisted Therapy (over 1 yr. old)

Trainer: Ingrid Nelson – Delta Society Evaluator

Trainer: Jane Babinsky – Therapy Dog Int'l (TDI) and Canine Good Citizen (CGC)

Learn: Prepares handlers and dogs for the skills required to become a successful therapy providing team. Some previous obedience training useful. Dogs must be good with other dogs. Handlers learn how to properly maintain the safety and mental attitude of their dogs for enjoyable volunteering. Basic skills are reinforced, confidence is built with teamwork being the priority. Dogs will be introduced to hospital equipment and will practice visiting etiquette. All to prepare the teams for the evaluations included at the end of this course. COME JOIN THE WONDERFULLY REWARDING WORLD OF THERAPY DOGS!
