

GOLDEN AGE

For our seniors (large breeds over 6 yrs; all others over 8 years) or dogs that have a chronic medical condition, we want to ensure your wishes are met in the event of a loved one passing.

K-9 Kingdom does everything possible to ensure your pet’s stay is comfortable, however any new environment might add an additional level of stress to their system. While most pets adjust to their new temporary surroundings, we are aware that some older pets or those with a medical condition may have a more difficult time. While the stress of a new surrounding will not itself cause an illness, it may cause an underlying issue to surface.

At K-9 Kingdom, we take the health and safety of all our guests seriously. **In the unfortunate event of your dog's passing while in our care, we will attempt to contact you immediately (phone call, text, and email). If we don't hear back from you within a few hours, we will reach out to your emergency contact in our records.**

Several arrangement options are available. We work with *DeJohn Pet Services*, *Paws & Remember*, and *Squad 51*. Price ranges listed here are based on size of the dog; costs are approximations based on information collected as of March 2024.
